

MARCH IS National CROCHET Month!

Your CGOA Board of Directors invites you to join us in a **Crochet-Along (CAL)** during March 2010 in honor of National Crochet Month!

For this CAL, pick any crochet project that you like. If you joined CGOA or renewed your CGOA membership during or after our 2009 Chain Link Conference last August, you were given access to 'Across the Board Crochet', a pdf pattern booklet featuring patterns designed by some of the 2009 CGOA board members. Perhaps you'd like to work on one of these projects. Or perhaps there's a pattern from *Crochet!* magazine (which you receive as one of your member benefits) that you've been anxious to try. Don't forget all the other countless crochet patterns available in books, magazines, and on the internet.

We'd love to hear from you as you try to decide what you'd like to work on during the CAL. Please feel welcome to **post comments to the [CGOA Now Blog](#)** and let us know what patterns and yarn you're considering. Share links when available! Don't forget to leave a new comment when you make your final decision. Your selection may inspire others to make the same thing right alongside you!

When March rolls around, a new post on the [CGOA Now Blog](#) will be created where we can all post comments talking about what we've made so far. We'll even have a new flickr photo pool where everyone can upload photos of their finished projects (in-progress photos, too, if you wish!).
